

Category A Sheets

10, 11, 12, 14, 15, 16, 17, 22, 23, 24, 25, 26, 27, 28, 32, 55, 56

Should not contain duplicates. These sheets are concatenated to produce the basis for Sheet 99 for each year.

Category C Sheets

01, 04, 07, 08, 13, 35

Each person **may or may not** also be in a Category A Sheet for the same year. Records which are not linked to a Category A sheet in the same year are added to Sheet 99 for that year.

Category B Sheets

02, 03, 05, 06, 09, 34, 36

Each person should **definitely** also be in a Category A Sheet. These records should never be able to get **into** Sheet 99, but they should always be **linked to** a Sheet 99 record in the same year.
